APC REACTS TO FAKE AUDIO ON MID TERM CENSUS

The attention of the Leadership of the APC Party has been drawn to an audio making the rounds on Social Media purportedly doctored by certain unscrupulous elements portraying a fake message from the National Secretary General of the APC Amb. Alhaji Dr. Osman Foday Yansaneh endorsing the ill-fated Mid Term Census.

The APC Party wishes to clarify that this fake audio is a doctored version of the audio released by the APC Party endorsing the NCRA registration process. The audio is therefore a misrepresentation of reality.

The Party is calling on its members and the general public to note that the APC position has not changed. The Party unanimously opposes the irregular Mid Term Census and renews its call to its members not to participate in a flawed and constitutionally illegal process.

Signed:

.....
Amb. Alhaji Osman Foday Yansaneh
National Secretary General, APC
